Question: Mange betragter sig som tilhængere af et bestemt politisk parti. Der findes også mange, der ikke foler sig som tilhængere af noget parti. Plejer De selv at betragte Dem som fx. socialdemokrat, radikal, konservativ, venstremand, SF'er eller noget andet, eller foler De Dem ikke som tilhænger af et af partierne? Hvis tilhænger, hvilket parti? (Many people feel devoted to a particular party. But there are of course many who don't have any such devotion to any of the parties. Do you usually think of yourself, for example, a social democrat, a social-liberal, a conservative, a liberal or something else, or do you not have any such devotion to any of the parties? If devoted, which party?)

Note:

a. No scientific survey was conducted before 1971. Questions on party identification were not included in the survey of the 1981 election and the elections after 1984.
