**List of statements:**

1	Social programmes should be maintained even at the cost of higher taxes
2	The state should provide stronger financial support to unemployed workers
3	The EU should rigorously punish Member States that violate the EU deficit rules
4	Asylum-seekers should be distributed proportionally among EU Member States through a mandatory relocation system
5	Immigration [into your country] should be made more restrictive
6	Immigrants from outside Europe should be required to accept our culture and values
7	The legalisation of same sex marriages is a good thing
8	The legalisation of the personal use of soft drugs is to be welcomed
9	Euthanasia should be legalised
10	Government spending should be reduced in order to lower taxes
11	The EU should acquire its own tax raising powers
12	Bank and stock market gains should be taxed more heavily
13	The promotion of public transport should be fostered through green taxes (e.g. road taxing)
14	Renewable sources of energy (e.g. solar or wind energy) should be supported even if this means higher energy costs
15	Restrictions of personal privacy on the Internet should be accepted for public security reasons
16	Criminals should be punished more severely
17	The European Union should strengthen its security and defence policy
18	On foreign policy issues the EU should speak with one voice
19	European integration is a good thing
20	The single European currency (Euro) is a bad thing
21	Individual member states of the EU should have less veto power
22	In European Parliament elections, EU citizens should be allowed to cast a vote for a party or candidate from any other Member State
